PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION  
AND SUBMISSION OF MISSING PARTS OF NONPROVISIONAL APPLICATIONCommissioner of Patents  
Washington, DC 20231

Honorable Commissioner:

To date, no formal Notice of Abandonment has been received from the Office for the above-referenced matter. However, it has come to the attention of the Applicants that a response has not yet been filed to the Notice to File Missing parts dated August 21, 2001, nor have the requisite fees been paid. Attempts had been made to obtain required documentation from each inventor without complete success. It should be noted that the executed documentation from Inventor Butler (dated July 19, 2002) has just been received, while the same documentation from Inventor Rogers was executed September 18, 2001. Both original documents are submitted herewith.
